Form No. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED ON 31st March, 2022

(Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014)

To,
 The Members,
Margo Finance Limited
 Office No.3, Plot No. 266,
 Village Alte, Kumbhoj Road,
 Taluka Hatkanangale, Kolhapur-416109

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Margo Finance Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India warranted due to the spread of the COVID-19 pandemic. I hereby report that in my opinion, the Company has during the audit period covering the financial year ended on 31st March, 2022 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2022 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; (Not Applicable to the Company during the Audit Period);
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; (Not Applicable to the Company during the Audit Period);
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not Applicable to the Company during the Audit Period);
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not Applicable to the Company during the Audit Period) and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not Applicable to the Company during the Audit Period).
- (vi) Other applicable Law:
 - a) All the Rules, Regulations, Guidelines, Master Circulars applicable to Non-Banking Financial Companies under the RBI Act, 1934;
 - b) Indian Stamp Act, 1899;

**I have also examined compliance with the applicable clauses of the following:**

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreement(s) entered into by the Company with Bombay Stock Exchange (BSE) read with SEBI (Listing Obligations and Disclosure Requirements), 2015.

and based on the above examination, I hereby report that, during the review period:

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

However, during the year under review, the Company had received an Email from BSE dated 14 January, 2022 levying penalty for non-compliance of Regulation 23(9) of SEBI LODR Regulations, 2015. The Company replied/ informed the exchange that as on 31st March 2021, the paid up equity share capital of Margo Finance Limited is Rs. 4.57 Crore and net worth is Rs. 6.17 Crore along with the certificate from Statutory Auditors confirming the net worth calculation and paid up equity share capital of the Company as on 31st March, 2021. Further, the Company has filed confirmation of Non- Applicability of Corporate Governance Provisions including non-applicability of Regulation 23(9) of SEBI LODR Regulations, 2015 with BSE.

As per provisions of Regulation 15 (2) (a) of SEBI (Listing Obligations and Disclosure Requirements) regulations, 2015, the compliance with the corporate governance provisions as specified in regulations 17, 49[17A,] 18, 19, 20, 21,22, 23, 24, 50[24A,] 25, 26, 27 and clauses (b) to (i) 51[and (t)] of sub-regulation (2) of regulation 46 and para C , D and E of Schedule V are not applicable to the company for the Financial Year 2021-22. Hence, there is no non-compliance of the provisions of Regulation 23(9) of SEBI LODR Regulations, 2015.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors during the audit period. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance generally and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the Board or Committee Meetings were carried out unanimously except in such case where dissent of Director(s) was recorded specifically.

Based on the compliance mechanism established by the company and on the basis of Compliance Certificate(s) issued by the company secretary and taken on record by the Board of Directors at the meeting(s), I am of the opinion that the management has adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there were no instances of:

- (i) Public/Right/Preferential issue of shares / debentures/sweat equity, etc.;
- (ii) Redemption / buy-back of securities ;
- (iii) Major decisions taken by the members in pursuance to section 180 of the Companies Act, 2013;
- (iv) Merger / amalgamation / reconstruction, etc.;
- (v) Foreign technical collaborations.

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND BUSINESS OUTLOOK

NBFCs have played a vital role in the financial system over the last decade. They complement as well as compete with banks, bringing in efficiency and diversity in the financial intermediary segment.

The growth of NBFCs was slower in FY 2021-22, due to the risk perception for players with higher exposure to wholesale lending, asset-liability mismatches, capital adequacy and perceived corporate governance. This led to a scenario where NBFCs with riskier exposures and ALM mismatches finding it difficult to access capital market over the near to medium term.

The growth in the Indian economy together with the growth in the Capital markets will have better future for your Company. Non Banking Finance Companies play major role in financing, inspite of presence of large number of Foreign as well as Nationalized Banks in this field, the role of NBFCs is established.

Due to growing economy of the country there is a scope of NBFCs. The economic indicators for the future are also strong. Your Company hopes to explore the opportunities thrown up by the economy.

OPPORTUNITIES, THREATS, RISK & CONCERNS

Risk is synonym with NBFCs which is inherent part of their business. Your Company is also subjected to various types of such risks. Your Company has identified these risks and guarded itself by adopting a range of strategies and measures to reduce the impact of such risks.

Credit risk is considered to be major risk being faced by NBFCs. Your Company has evolved various policies and systems for credit risk to closely monitor the same. Your Company is having appropriate pre disbursal and post disbursement monitoring and regular follow up of the collection process. A low level of NPA proportion in the assets of your Company reflects its sound risk management policies. Your Company also follows provisioning norms of RBI.

Business Opportunities for NBFCs are enormous. As the new areas and segments are being explored, there is a large scope of small size NBFCs like ours, for certain segment of customers, which remain unserved by Banks and large size NBFCs.

The major threat being faced by NBFCs are from aggressive marketing of Banks and low rates of financing offered by them.

INTERNAL CONTROL AND THEIR ADEQUACY

Foundation of your Company's control mechanism vests in Management Information systems (MIS). Your Company has devised effective systems so that assets and business of the Company are safeguarded. The internal control is regularly reviewed and augmented by the Audit Committee. The management feels that the systems of internal controls are adequate considering the size of operations of the Company.

HUMAN RESOURCES

As on March 31, 2022, Company has only two employees on its payroll.

DISCUSSION ON FINANCIAL PERFORMANCE

During the financial year under review, the Company's total income was Rs. 60.07 lakhs. The Company suffered losses of Rs. 50.44 lakhs during the financial year 2021-22 due to losses on sale of investment of the Company.

COMPLIANCE WITH INDIAN ACCOUNTING STANDARDS (IND-AS)

In the preparation of the financial statements, the Company has followed the Indian Accounting Standards (Ind-AS) notified by Ministry of Corporate Affairs from time to time. The significant accounting policies which are consistently applied have been set out in the Notes to the Financial Statements.

CAUTIONERY STATEMENT

The statement in the “Management Discussion and Analysis Report” describes Company’s objectives, estimates, and expectations which may be “Forward Looking Statement” within the meaning of applicable laws and regulations. The actual results could differ materially from those expressed or implied, depending upon the economic and climate conditions, government policies, taxation and other incidental factors.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the year under report. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion

thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and change in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with Companies (Indian Accounting Standard) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- d) Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- (1) As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure-A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(2) As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure-B'.
 - (g) In our opinion, the managerial remuneration for the year ended March 31, 2022 has been paid / provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act;
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. There are no pending litigations affecting financial position hence no disclosure is required to be made.
 - ii. There are no long term contracts including derivatives contracts hence no disclosure is required to be made.
 - iii. The clause is not applicable as there is no amount required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The management has represented to us that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The management has also represented to us, to the best of its knowledge and belief, that no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause 22.4(a) and 22.4(b) contain any material misstatement.
- (d) The Board of Directors of the Company have not proposed final dividend for the year.

Annexure A to the Independent Auditors' Report

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i (a) The company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipment (the "PPE").
- (b) As explained to us, all the PPE have been physically verified by the management according to a regular program, which, in our opinion, is reasonable having regards to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification with respect records of books.
- (c) The title deed of immovable property is held in the name of the Company.
- (d) In our opinion and according to the information and explanations given to us, the company has not revalued its PPE and intangible assets or both during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no proceedings have been initiated during the year or are pending against the Company as at 31 March 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988 as amended in 2016) and rules made thereunder. Refer note 84 to the Standalone Financial Statements.
- ii The company is an Investment company and does not have any physical inventory, therefore this clause of the order is not applicable to the Company.
- iii Since the Company's principal business is to give loans. Accordingly, the provision of clause 3(iii)(a) of the Order is not applicable to it.
- (b) The Company, is a Non-Banking Financial Company ('NBFC'), registered under provisions of RBI Act, 1934. In our opinion and according to the information and explanations given to us, the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees, provided during the year are, prima facie, not prejudicial to the Company's interest.
- (c) In our opinion and according to the information and explanations given to us, in respect of loans and advances in the nature of loans, the schedule of repayment of principal and payment of interest has been stipulated and in cases where repayment of principal and payment of interest is not received as stipulated, the cognizance thereof is taken by the Company in course of its periodic regulatory reporting.
- (d) In respect of total amount overdue including principal and/or payment of interest by its customers for more than 90 days reasonable steps are taken by the Company for recovery thereof.
- (e) Since the Company has not granted any fresh loans during the year, the provision of clause 3(iii)(e) of the Order is not applicable to it.
- (f) Based on our audit procedures, according to the information and explanation made available to us, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year.
- iv According to the information and explanation given to us, the Company has not granted any loans, made investments or provided guarantees in contravention of provisions of Section 185 of the Act. The Company has complied with the provisions of Section 186 of the Act wherever applicable.
- v In our opinion and according to the information and explanations given to us, the Company being a non-banking financial company registered with the Reserve Bank of India, the provisions of sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014, as amended, with regard to the deposits accepted are not applicable to the Company. We are informed by the Management that no order has been passed by the Company Law Board, National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal on the Company in respect of the aforesaid deposits.

- vi The Central Government has not prescribed the maintenance of cost records under sub-section (1) section 148 of the Act for the business activities carried out by the Company. Accordingly, the provision of clause 3(vi) of the Order is not applicable to the Company.
- vii (a) In our opinion and according to the information and explanations given to us, the Company has generally been regular in depositing undisputed statutory dues relating to amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues applicable to it with the appropriate authorities during the year. According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, Goods and Services Tax, duty of customs, cess and any other material statutory dues were in arrears as at 31 March 2022 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company did not have dues which have not been deposited as on March 31, 2022.
- viii In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, we confirm that we have not come across any transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) In our opinion, the Company has not defaulted in repayment of loans or other borrowings to financial institutions, banks, government and dues to debenture holders or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority or any other lender.
- (c) In our opinion and according to the information and explanations given to us, there were no loans obtained by way of term loans from bank during the year.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) & (f) The company has not taken any funds from any entity or person on account of or to meet the obligations of its associate. The Company does not have any subsidiaries or joint ventures.
- x. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not raised any moneys by way of further public offer during the current financial year.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made preferential allotment of equity shares during the year.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, no material fraud by the Company or on the Company has been noticed or reported during the course of our audit.
- (b) In our opinion and according to the information and explanations given to us, no report under sub-section (12) of section 143 of the Act has been filed by the auditors in Form ADT -4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) According to the information and explanations given to us, there were no whistle blower complaints received during the year by the Company.

- xii The Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered, during the course of our audit, the reports of the Internal Auditor for the period under audit, issued to the Company during the year till date, in determining the nature, timing and extent of our audit procedures in accordance with the guidance provided in SA 610 "Using the work of Internal Auditors".
- xv. According to the information and explanations given to us, in our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company and hence provisions of section 192 of the Act, 2013 are not applicable to the Company.
- xvi. (a) The Company is required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and the Company has obtained the required registration.

Annexure B to the Auditors' Report**Independent Auditors' Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013**

We have audited the internal financial controls over financial reporting of the company Margo Finance Limited as at 31 March 2022 in conjunction with our audit of Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The management of the company is responsible for establishing and maintaining internal financial controls based on the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required by the Guidelines issued the Companies Act, 2013 ('the Act').

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting with reference to these Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing ('the Standards'), issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls system over financial reporting with reference to these Ind AS financial statements.

Meaning of Internal Financial Controls Over Financial Reporting with reference to these Ind AS financial statements

Internal financial control over financial reporting with reference to these Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. Internal financial control over financial reporting with reference to these Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Divisional Office's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to these Ind AS financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these Ind AS financial statements and such internal financial controls over financial reporting with reference to these Ind AS financial statements were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

1. Company overview

Margo Finance Limited ('the Company') is a public limited company and incorporated under the provisions of Companies Act. The Company is a non-deposit accepting Non-Banking Financial Company ('NBFC-ND') and is registered as a Non-Banking Financial Company with the Reserve Bank of India ("RBI"). The Company is engaged primarily in Investment activities as the financing activities were discontinued during the previous year. The Company is domiciled in India and its registered office is situated at Office No. 3, Plot No. 206, Village Alte, Kumbhoj Road, Taluka, Hatkanangale, Dist. Kolhapur, 416109, Maharashtra.

2. Basis of preparation

(i) Statement of compliance with Indian Accounting Standards (Ind AS)

These standalone financial statements ("the Financial Statements") have been prepared in accordance with the Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies for all the periods presented in these financial statements.

The financial statements for the year ended March 31, 2022 were authorized and approved for issue by the Board of Directors on 24 May, 2022.

(ii) Historical cost convention

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities which are measured at fair values as explained in relevant accounting policies.

3. Summary of significant accounting policies

The financial statements have been prepared using the significant accounting policies and measurement bases summarised as below. These policies are applied consistently for all the periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in statement of profit and loss.

Subsequent measurement (depreciation method, useful lives and residual value)

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on property, plant and equipment is provided on the written-down method over the useful life of the assets as prescribed under Part 'C' of Schedule II of the Companies Act, 2013.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

Asset class	Useful life
Office equipment	5 years
Furniture and fixtures	10 years
Vehicles	8 years
Computers (Other than server)	3 Years

Depreciation is calculated on pro rata basis from the date on which the asset is ready for use or till the date the asset is sold or disposed.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is de-recognised.

Transition to Ind AS

The Company has elected to measure all its property, plant and equipment at the previous GAAP carrying amount as its deemed cost on the date of transition of Ind AS i.e. April 1, 2018.

a) Intangible assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price including any import duties and other taxes (other than those subsequently recoverable from taxation authorities), borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent measurement (amortisation method, useful lives and residual value)

Intangible assets are amortised over a period of 5 years from the date when the assets are available for use. The estimated useful life (amortisation period) of the intangible assets is arrived basis the expected pattern of consumption of economic benefits and is reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

Transition to Ind AS.

The Company elected to measure all its intangible assets at the previous GAAP carrying amount as its deemed cost on the date of transition of Ind AS i.e. April 1, 2018.

b) Revenue recognition

Interest and processing fee income on loans

Interest and processing fee income is recorded on accrual basis using the effective interest rate (EIR) method. Additional interest/overdue interest/penal charges, if any, are recognised only when it is reasonably certain that the ultimate collection will be made.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

Commission income

Income from business correspondent services is recognised as and when the services are rendered as per agreed terms and conditions of the contract.

Dividend income

Dividend income is recognised at the time when the right to receive is established by the reporting date.

Miscellaneous income

All other income is recognized on an accrual basis, when there is no uncertainty in the ultimate realization/collection.

c) **Borrowing costs**

Borrowing costs that are directly attributable to the acquisition and/or construction of a qualifying asset, till the time such qualifying assets become ready for its intended use, are capitalised. Borrowing costs consists of interest and other cost that the Company incurred in connection with the borrowing of funds. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss as incurred basis the effective interest rate method.

d) **Taxation**

Tax expense recognized in Statement of Profit and Loss comprises the sum of deferred tax and current tax except to the extent it recognized in other comprehensive income or directly in equity.

Current tax comprises the tax payable or receivable on taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. Current tax is computed in accordance with relevant tax regulations. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received after considering uncertainty related to income taxes, if any. Current tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Minimum alternate tax ('MAT') credit entitlement is recognised as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets are recognised on unused tax loss, unused tax credits and deductible temporary differences to the extent it is probable that the future taxable profits will be available against which they can be used. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

from the manner in which the Company expects, at the reporting date to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

e) Employee benefits

Short-term employee benefits

Short-term employee benefits including salaries, short term compensated absences (such as a paid annual leave) where the absences are expected to occur within twelve months after the end of the period in which the employees render the related service, profit sharing and bonuses payable within twelve months after the end of the period in which the employees render the related services and non-monetary benefits for current employees are estimated and measured on an undiscounted basis.

Post-employment benefit plans are classified into defined benefits plans and defined contribution plans as under:

Defined contribution plans

The Company has a defined contribution plans namely provident fund, pension fund and employees state insurance scheme. The contribution made by the Company in respect of these plans are charged to the Statement of Profit and Loss.

Defined benefit plans

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. Under the defined benefit plans, the amount that an employee will receive on retirement is defined by reference to the employee's length of service and last drawn salary. The legal obligation for any benefits remains with the Company, even if plan assets for funding the defined benefit plan have been set aside. The liability recognised in the statement of financial position for defined benefit plans is the present value of the Defined Benefit Obligation (DBO) at the reporting date less the fair value of plan assets. Management estimates the DBO annually with the assistance of independent actuaries. Actuarial gains/losses resulting from re-measurements of the liability/asset are included in other comprehensive income.

Other long-term employee benefits

The Company also provides the benefit of compensated absences to its employees which are in the nature of long-term employee benefit plan. Liability in respect of compensated absences becoming due and expected to availed after one year from the Balance Sheet date is estimated in the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to Statement of Profit and Loss in the year in which such gains or losses are determined.

f) Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. Recoverable amount is higher of an asset's net selling price and its value in use. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the reporting date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

Compensation for impairment

Compensation from third parties for items of property, plant and equipment that were impaired, lost or given up are recognised in statement of profit and loss when the compensation becomes receivable.

g) Impairment of financial assets

Loan assets

The Company follows a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below:

- Stage 1 (1-30 days) includes loan assets that have not had a significant increase in credit risk since initial recognition or that have low credit risk at the reporting date.
- Stage 2 (31-60 days) includes loan assets that have had a significant increase in credit risk since initial recognition but that do not have objective evidence of impairment.
- Stage 3 (more than 90 days) includes loan assets that have objective evidence of impairment at the reporting date.

The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default, defined as follows:

Probability of Default (PD) - The PD represents the likelihood of a borrower defaulting on its financial obligation, either over the next 12 months (12 months PD), or over the remaining lifetime (Lifetime PD) of the obligation.

Loss Given Default (LGD) - LGD represents the Company's expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and preference of claim and availability of collateral or other credit support.

Exposure at Default (EAD) – EAD is based on the amounts the Company expects to be owed at the time of default. Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

Trade receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of trade receivables.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

Write-offs

Financial assets are written off either partially or in their entirety to the extent that there is no realistic prospect of recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

h) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand (including imprest), demand deposits and short-term highly liquid investments (certificate of deposits and commercial paper) that are readily convertible into known amount of cash and which are subject to an insignificant risk of changes in value. The Company has netted off the balance of bank overdraft with cash and cash equivalents for cash flow statement.

i) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

j) Financial instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs. Subsequent measurement of financial assets and financial liabilities is described below.

Non-derivative financial assets

Subsequent measurement

- i. Financial assets carried at amortised cost** - a financial asset is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss.

- ii. **Investments in equity instruments** - Investments in equity instruments which are held for trading are classified as at fair value through profit or loss (FVTPL). For all other equity instruments, the Company makes an irrevocable choice upon initial recognition, on an instrument by instrument basis, to classify the same either as at fair value through other comprehensive income (FVOCI). Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. However, the Company transfers the cumulative gain or loss within equity. Dividends on such investments are recognised in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.
- iii. **Investments in mutual funds** - Investments in mutual funds are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

Financial assets (or where applicable, a part of financial asset or part of a group of similar financial assets) are de-recognised (i.e. removed from the Company's balance sheet) when the contractual rights to receive the cash flows from the financial asset have expired, or when the financial asset and substantially all the risks and rewards are transferred. Further, if the Company has not retained control, it shall also de-recognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer.

Non-derivative financial liabilities

Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

First loss default guarantee

First loss default guarantee contracts are contracts that require the Company to make specified payments to reimburse the bank and financial institution for a loss it incurs because a specified debtor fails to make payments when due, in accordance with the terms of a agreement. Such financial guarantees are given to banks and financial institutions, for whom the Company acts as 'Business Correspondent'.

These contracts are initially measured at fair value and subsequently measure at higher of:

- The amount of loss allowance (calculated as described in policy for impairment of financial assets)

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

- Maximum amount payable as on the reporting date to the respective bank/financial institution which is based on the amount of loans overdue for more than 75-90 days in respect to agreements with banks and financial institutions.

Further, the maximum liability is restricted to the cash outflow agreed in the agreement.

Compound financial instruments

Optionally convertible instruments are separated into liability and equity components based on the terms of the contract. On issuance of the said instruments, the liability component is arrived by discounting the gross sum (including redemption premium, if any) at a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortised cost until it is extinguished on conversion or redemption. The remainder of the proceeds is recognised as equity component of compound financial instrument. This is recognised and included in shareholders' equity, net of income tax effects, and not subsequently re-measured.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

k) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss (interest and other finance cost associated) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

l) Segment reporting

The Company identifies segment basis of the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are regularly reviewed by the CODM ('chief operating decision maker') and in assessing performance. The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship with the operating activities of the segment.

m) Foreign currency

Functional and presentation currency

Items included in the financial statement of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements have been prepared and presented in Indian Rupees (₹), which is the Company's functional and presentation currency.

Transactions and balances

Foreign currency transactions are translated into the functional currency, by applying the exchange rates on the foreign currency amounts at the date of the transaction. Foreign currency monetary items outstanding at the balance sheet date are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the Statement of Profit and Loss in the year in which they arise.

Transition to Ind AS

The Company has elected to exercise the option for accounting for exchange differences arising from translation of long-term foreign currency monetary items recognised in the financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period as per the previous GAAP.

n) Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures. Actual results may differ from these estimates.

Significant management judgements

Recognition of deferred tax assets - The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Business model assessment - The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and accordingly prospective change to the classification of those assets are made.

Evaluation of indicators for impairment of assets - The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Expected credit loss ('ECL') - The measurement of expected credit loss allowance for financial assets measured at amortised cost requires use of complex models and significant assumptions about future economic conditions and credit behaviour (e.g. likelihood of customers defaulting and resulting losses). The Company makes significant judgements with regard to the following while assessing expected credit loss:

- Determining criteria for significant increase in credit risk;
- Establishing the number and relative weightings of forward-looking scenarios for each type of product/market and the associated ECL; and
- Establishing groups of similar financial assets for the purposes of measuring ECL.

Provisions - At each balance sheet date basis of the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

Significant estimates

Useful lives of depreciable/amortisable assets - Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Defined benefit obligation (DBO) - Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements - Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

C. Estimation of fair values

The Company obtains independent valuations for each of its investment property by external, independent property valuers, having appropriate recognised professional qualifications and recent experience in the location and category of the property being valued.

Fair market value is the amount expressed in terms of money that may be reasonably be expected to be exchanged between a willing buyer and a willing seller, with equity or both. The valuation by the valuer assumes that Company shall continue to operate and run the assets to have economic utility.

Valuation technique:

Under the market comparable method (or market comparable approach), a property's fair value is estimated based on comparable transactions. The market comparable approach is based upon the principle of substitution under which a potential buyer will not pay more for the property than it will cost to buy a comparable substitute property. In theory, the best comparable sale would be an exact duplicate of the subject property and would indicate, by the known selling price of the duplicate, the price for which the subject property could be sold. The unit of comparison applied by the Company is the price per square meter (sqm).

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

Fair value hierarchy:

The fair value measurement for the investment property has been categorised as a Level 2 fair value based on the inputs to the valuation technique used.

Nature and purpose of other reserves:
(i) General reserve

General reserve is created from time to time by way of transfer profits from retained earnings for appropriation purposes.

General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

(ii) Special reserve

Special reserve is created at the rate of 20% of the profits for every year per the provisions of the RBI Act, 1934.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

(iii) Share warrant option premium

"The Company allotted 20,00,000 Option Warrants to the Promoter Group in pursuance of the approval given by the shareholders in the Extra Ordinary General Meeting held on 12th December, 1994. Each option warrant holder was entitled to apply for one Equity Share at the premium of ₹ 6.90 per share within a period of 18 months from the date of allotment of warrants. A warrant option premium @ ₹ 1.69 per warrant was payable on allotment to be adjusted against the issue price of the equity shares. The Company received ₹ 33.80 lacs on allotment of 20,00,000 Option warrants, being the warrant option premium which had reflected in Schedule 2 of Balance Sheet 1994-95 as Share Warrant Option Premium. The Promoter Group did not exercise to opt the same and hence the Board forfeited the option warrant premium of ₹ 33.80 lacs in their Board Meeting held on 26th November, 1996."

(iv) Retained earnings

Retained earnings are the accumulated profits earned by the Company till date, less transfer to general reserves, special reserves, dividend (including dividend distribution tax) and other distributions made to the shareholders.

(v) Accumulated Other comprehensive income

The company recognises change on account of remeasurement of the net defined benefit liability as part of other comprehensive income with separate disclosure, which comprises of:

- actuarial gains and losses;
- return on plan assets, excluding amounts included in net interest on the net defined benefit liability; and
- any change in the effect of the asset ceiling excluding amounts included in net interest on the net defined benefit liability.

The Company has elected to recognise changes in the fair value of certain investments in equity securities and debt instrument in other comprehensive income. These changes are accumulated in the FVOCI equity investments reserve. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised or sold. Any impairment loss on such instruments is reclassified to Profit or Loss.

34 Employee benefits

The Company contributes to the following post-employment defined benefit plans in India.

(i) Defined contribution plans:

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards provident fund and EDLI, which are defined contribution plans. The Company has no obligations other than to make the specified contributions. The contributions are charged to the statement of profit and loss as they accrue.

	Year ended March 31, 2022	Year ended March 31, 2021
Contribution to provident fund	-	0.03

(ii) Defined benefit plan:

Gratuity

The Company operates a post-employment defined benefit plan for Gratuity. This plan entitles an employee to receive half month's salary for each year of completed service at the time of retirement/exit. The gratuity liability is entirely unfunded.

The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognize each period of service as giving rise to additional employee benefit entitlement and measures each unit separately to build up the final obligation."

The most recent actuarial valuation of present value of the defined benefit obligation for gratuity were carried out as at March 31, 2021. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

A. Based on the actuarial valuation obtained in this respect, the following table sets out the status of the gratuity plan and the amounts recognised in the Company's financial statements as at balance sheet date:

C. Plan assets

The plan assets of the Company are managed by Life Insurance Corporation of India through a trust managed by the Company in terms of an insurance policy taken to fund obligations of the Company with respect to its gratuity plan. The categories of plan assets as a percentage of total plan assets is based on information provided by Life Insurance Corporation of India with respect to its investment pattern for group gratuity fund for investments managed in total for several other companies.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

	As at March 31, 2022	As at March 31, 2021
Funds Managed by Insurer (investment with insurer)	4.47	4.60

On an annual basis, an asset-liability matching study is done by the Company whereby the Company contributes the net increase in the actuarial liability to the plan manager in order to manage the liability risk. The Company's policy and objective for plan assets management is to maximise return on plan assets to meet future benefit payment requirements while at the same time accepting a low level of risk.

D. Actuarial assumptions

a) Economic assumptions

The principal assumptions are the discount rate and salary growth rate. The discount rate is based upon the market yields available on government bonds at the accounting date with a term that matches that of liabilities. Salary increase rate takes into account of inflation, seniority, promotion and other relevant factors on long term basis. Valuation assumptions are as follows which have been selected by the company.

	As at March 31, 2022	As at March 31, 2021
Discount rate	7.12%	6.71%
Expected rate of future salary increase	7.50%	7.50%
Expected rate of return on assets	7.12%	6.71%

b) Demographic assumptions

	As at March 31, 2022	As at March 31, 2021
i) Retirement age (years)	60	60
ii) Mortality rates inclusive of provision for disability	"100% of IALM (2012-14)"	"100% of IALM (2012-14)"
iii) Withdrawal rate	11%	11%

E. Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

Sensitivity due to mortality is not material and hence impact of change not calculated. Sensitivity as to rate of inflation, rate of increase of pensions in payment, rate of increase of pensions before retirement & life expectancy are not applicable being a lump sum benefit on retirement.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

Level 1: It includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The fair value of financial assets and liabilities included in Level 3 is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes of similar instruments.

The fair value for security deposits were calculated based on discounted cash flows using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

Valuation processes

The Management performs the valuations of financial assets and liabilities required for financial reporting purposes on a periodic basis, including level 3 fair values.

b). Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk
- Interest rate risk

Risk management framework

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors have authorised senior management to establish the processes and ensure control over risks through the mechanism of properly defined framework in line with the businesses of the company.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risks limits and controls, to monitor risks and adherence to limits. Risk management policies are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company has policies covering specific areas, such as interest rate risk, foreign currency risk, other price risk, credit risk, liquidity risk, and the use of derivative and non-derivative financial instruments. Compliance with policies and exposure limits is reviewed on a continuous basis.

b). Financial risk management (continued)

(i) Credit risk

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the balance sheet:

Particulars	As at March 31, 2022	As at March 31, 2021
Trade receivables	6.32	4.44
Cash and cash equivalents	3.98	10.96
Bank balances other than cash and cash equivalents	15.77	13.92

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

Particulars	As at March 31, 2022	As at March 31, 2021
Investments	9,947.85	8,201.98
Loans	-	-
Other financial assets	29.00	29.00

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

The Company's credit risk is primarily to the amount due from customer and investments. The Company maintains a defined credit policy and monitors the exposures to these credit risks on an ongoing basis. Credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with scheduled commercial banks with high credit ratings assigned by domestic credit rating agencies.

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. Trade receivables are unsecured and are derived from revenue earned from customers primarily located in India. The Company does monitor the economic environment in which it operates. The Company manages its Credit risk through credit approvals, establishing credit limits and continuously monitoring credit worthiness of customers to which the Company grants credit terms in the normal course of business.

On adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. The Company establishes an allowance for impairment that represents its expected credit losses in respect of trade receivable. The management uses a simplified approach (i.e. based on lifetime ECL) for the purpose of impairment loss allowance, the company estimates amounts based on the business environment in which the Company operates, and management considers that the trade receivables are in default (credit impaired) when counterparty fails to make payments for receivable more than 180 days past due. However, the Company based upon historical experience determines an impairment allowance for loss on receivables.

The Company's exposure to credit risk for trade receivables are as follows:

Particulars	Gross carrying amount	
	As at March 31, 2022	As at March 31, 2021
0-90 days past due	6.22	4.34
91 to 180 days past due	-	-
More than 180 days past due #	0.10	0.10
Total	6.32	4.44

This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors. Further, the Company does not anticipate any material credit risk of any of its other receivables.

The Company believes that the unimpaired amounts that are past due by more than 180 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk.

There was no movement in the allowance for impairment in respect of trade receivables.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

b). Financial risk management (continued)

(ii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company believes that its liquidity position, including total cash (including bank deposits under lien and excluding interest accrued but not due) of ₹ 19.75 lacs as at March 31, 2021 (March 31, 2020: ₹ 24.88 lacs) and the anticipated future internally generated funds from operations will enable it to meet its future known obligations in the ordinary course of business.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Company's policy is to regularly monitor its liquidity requirements to ensure that it maintains sufficient reserves of cash and funding from group companies to meet its liquidity requirements in the short and long term.

The Company's liquidity management process as monitored by management, includes the following:

- Day to day funding, managed by monitoring future cash flows to ensure that requirements can be met.
- Maintaining rolling forecasts of the Company's liquidity position on the basis of expected cash flows.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and includes interest accrued but not due on borrowings.

As at March 31, 2022	Carrying amount	Contractual cash flows		
		Less than one year	More than one year	Total
Trade payables	0.90	0.90	-	0.90
Total	0.90	0.90	-	0.90

As at March 31, 2021	Carrying amount	Contractual cash flows		
		Less than one year	More than one year	Total
Trade payables	2.10	2.10	-	2.10
Total	2.10	2.10	-	2.10

The above amounts reflects the contractual undiscounted cash flows which may differ from the carrying value of the liabilities at the reporting date.

iii). Market risk

Market risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, the Company mainly has exposure to one type of market risk, interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(All amounts are ₹ in Lacs unless otherwise stated)

Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk.

Exposure to interest rate risk

The Company's interest rate risk arises majorly from the term loans from banks carrying floating rate of interest. During the year ended March 31, 2021 & March 31, 2022 the Company does not have any variable rate borrowings hence no exposure of interest rate risk.

38 Capital Management

For the purpose of the Company's capital management, capital includes issued equity share capital and all other equity reserves attributable to the equity holders of the Company.

Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

To maintain or adjust the capital structure, the Company may return capital to shareholders, raise new debt or issue new shares.

The Company monitors capital on the basis of the debt to capital ratio, which is calculated as interest-bearing debts divided by total capital (equity attributable to owners of the parent plus interest-bearing debts).
