246 dists yet to declare themselves manual scavenging free: Official

'21 Out Of 36 Maha Dists Have Not Sent Report'

INHUMAN PRACTICE

New Delhi: As the government's deadline to declare India manual scavenging free nears, about 246 districts of the country are yet to declare themselves free from the inhuman practice, according to officials.

The matter was discussed at the eighth meeting of the central monitoring committee chaired by social justice minister Virendra Kumar.

According to data shared in the meeting, out of 766 districts, as many as 520 districts have declared themselves manual scavenging free, while 246 districts are yet to submit the report. "I would request the states concerned to submit a report to us as we are committed to our vision of declaring India manual scavenging free by August 2023," a senior official with the ministry of social justice and empowerment said.

She said the defaulting states are required to either declare all their districts free from manual scavenging or upload existing insanitary latrines and manual scavengers, if any, associated with them so that requisite rehabilitation benefits can be extended to such manual scavengers and the insanitary latrines may be converted into sanitary latrines under the Swachh Bharat Mission.

The states/district collectors and district magistrate have been reminded 20 times so far to submit the report, the ministry said.

In Madhya Pradesh, 35 out of 52 districts have not submitted the report, while 21 out of 36 districts in Maharashtra are yet to declare themselves manual scavenging free.

The data also said that 14 states/UTs do not have state commissions for safai karamcharis.

Under the Prohibition of Employment as Manual Scavengers and Rehabilitation Act, 2013, manual scavenging is banned in the country and there is requirement of the formation of state safai karamchari commission, state monitoring committees and district vigilance committees. "We have received reports from various states that till date, many of these committees have not been established there. I request these states to look into the matter and see that these committees are in place," the official said.

"Only 28 states have complied (with formation of committees)," she said. The official also pointed out that 1,056 sewer deaths have taken place in the country and a compensation of Rs 10 lakh has been given to 931 people while 42 people are yet to get any assistance.

Last month, three sanitation workers died of suffocation while cleaning a newly-laid sewage chamber under Kunhari police station in Kota district of Rajasthan, officials said. Out of the four workers who had entered the chamber, one of them survived and was rushed to a hospital, they said. PTI

Upset mother sells unwanted girl for ₹800

Mayurbhanj: A poverty-hit Odisha tribal woman, who was saddened by the birth of a second girl child, allegedly sold her eight-month-old daughter to a couple for a measly Rs 800, police said.

According to police, the woman, identified as Karami Murmu, was allegedly unhappy over the birth of her second daughter and had raised concerns about her upbringing with her neighbour Mahi Murmu, who brokered a deal and arranged a buyer for the child. Police said Karami's husband was unaware of the incident since he was away in Tamil Nadu working as daily wage earner.

Once the deal was struck, Karami sold the eight-month-old infant to a couple for Rs 800. Police have arrested Musu's wife, the couple who bought the baby and the mediator on Tuesday. PTI

HC asks NIC to create software on offenders for public viewing

New Delhi: The Delhi high court has asked the National Informatics Centre (NIC) to develop a software and other facilities for uploading the names and details of proclaimed offenders to enable citizens to assist the police with information regarding their whereabouts and help the state take further action against them.

It said the court-appointed committee headed by the principal district and sessions judge (headquarters) here shall monitor the implementation of its directions. The court said the data will be uploaded initially on the internal servers and later on the public platform to be developed by the NIC after verification.

"The NIC, under the guidance of the above monitoring committee, shall develop the necessary software and provide the infrastructure, web space and search facilities for the data for implementing the project for uploading the names and other details of the proclaimed offenders and proclaimed persons," said Justice Talwant Singh in a recent order.

"Initially the data regarding proclaimed offenders/proclaimed persons be uploaded on the internal servers and the same should be accessible only to authorised persons, till the data is checked, re-checked and verified by the stakeholders and thereafter the same may be uploaded on the public platform to be developed by NIC for Delhi district courts," Justice Singh said. Fares of Vande Bharat trains with low occupancy may be reduced

New Delhi: The railways is reviewing the fares of some short-distance Vande Bharat trains with low occupancy with an aim to reduce prices in order to make them more viable for people, sources said on Wednesday.

Barring a handful of such low occupancy trains, most of the services of this semi-high speed train currently is running with full occupancy, according to official data. Vande Bharat trains like the Indore-Bhopal, the Bhopal-Jabalpur and the Nagpur-Bilaspur express, along with some others are likely to fall in this category, the sources said.

According to end of June data, the Bhopal-Indore Vande Bharat service recorded just 29% occupancy whereas its return journey had only 21% occupancy. The fare of this train could be reduced significantly, the sources said.

Another train whose fares are under review is the Nagpur Bilaspur Vande Bharat Express which has an average occupancy of around 55%. With a travel time of around 5 hour 30 minutes, the general belief is that it would do much better if the prices were brought down. PTI

SC refuses to interfere with bail granted to ex-MLA in rape case

New Delhi: The Supreme Court on Wednesday refused to interfere with the bail granted to former Punjab MLA and Lok Insaaf Party leader Simarjit Singh Bains in an alleged rape and sexual harassment case. The case was registered against him in Ludhiana in 2021.

A bench of Justices AS Bopanna and MM Sundresh disposed of a plea filed by the alleged victim seeking cancellation of bail granted to the politician on January 25 by the Punjab and Haryana high court. "The high court has applied its mind and exercised its discretion. Sorry, we won't interfere with the high court judgement," the bench said.

Counsel appearing for the alleged victim said the high court has relied on a statement recorded under section 161 CrPC but the fact is there is no such statement. He said the accused is an influential person and the grant of bail is affecting the alleged victim's liberty.

"In the high court's order, it is specified that a number of cases were lodged against me and my family members. Report has come that all the cases registered under different police stations are false," the woman's lawyer said. PTI
